Hello! I'm Matt, a 22 year old Full Stack Web Developer based in Austin, TX.

From an early age I have enjoyed working with computers and other technological devices. I became interested in programming when I was about 14 years old and have loved it ever since!

EXPERIENCE

Freelance Full Stack Developer

July 2017 - Present

Developer

- C++ | C# and .NET | Xamarin | Java | Spring
- HTML5 / CSS3 / JavaScript
